- Developing a spirit filled ministry and key strategies for supporting the church's vision and direction.
- Providing a broad variety of energizing and inspiring praise music to support church worship, programs and special events.
- Blended, contemporary and traditional styles of music and songs.
- Conducting and/or overseeing regularly scheduled rehearsals for choirs and musicians.
- Recruiting choir members, soloists and musicians for regular or special choirs and other musical programs.
- Training and development of musician staff, choirs, vocalists and small group ensembles.
- Developing and managing annual music department budgets.

**Key Qualifications:**

- Personal spiritual conviction – deeply committed Christian faith and integrity.
- Bachelor's degree in music or equivalent education/experience.
- High level interest in performing arts (dance, praise, drama, etc.).
- Strong verbal communications skills/ability to teach music and singing.
- Extremely talented musician – proficient in piano, organ, voice and music direction.
- Proven experience in leading and directing multiple choirs and multiple staff, especially promoting team work and inspiring volunteers.
- Demonstrated experience in staying abreast with leading edge trends in church and worship music.
- Electronic and computerized instrumentation capability is a plus.
