Dear Southern Region Pastors,

I pray this communication finds you prospering and in good health. As you all are aware our 62<sup>nd</sup> Annual Session for the Southern Region is quickly approaching. I am requesting your help with these efforts. As you know our region must front the entire bill for our session. Our session will be held in the beautiful city of Greenville, SC June 2-5, 2025, at the Hilton Greenville Hotel located at 45 W Orchard Park Dr, Greenville, SC. The room rate is \$144 per night plus tax. [Click To Make Hotel Reservations](#). We have a minimum food and beverage that must be met. As your Regional President, I'm appealing to you for a couple of things. First, I'm asking every church to register early. The church registration is \$250. I am asking you to register your church even if you do not plan on attending the regional session. Secondly, I am asking you to purchase tickets for our Gala which are \$75. Thirdly, I solicit you in attending and bringing your congregants of all ages and pre-registering them. Fourthly, I'm asking if anyone who is a small business owner in your church to have them email me the name, website, email, and phone number of the business any sector. Also, if you have members who are software engineers or those who code or those who have a desire to work in these areas, please send their information. Also looking for greeters of all ages! Everyone must register as an individual. If you have any questions about registration, please feel free to reach out. I'm asking every Pastor to please make a donation to the Southern Region Youth department so that will be able function burden free. We started off our 2024 Annual Session Debt Free and I believe that we can do it again this year with your help.

You will be able to register early by clicking the following link [Pre Registration](#).

Also, this year we are offering a free Youth Mental Health First Aid Training designed to equip participants with the skills to recognize, understand, and respond to signs of mental health challenges in young people. This interactive course provides practical strategies for supporting youth in crisis and connecting them with appropriate resources. This is for anyone who works with youth. This is an 8-hour course that is free and a 3-year certification that is recognized nationwide. This will take place Monday June 2, 2025, at 8am. Please register by clicking the following link [Youth Mental Health Training](#).
